

## AAC Clyde Space focuses analytical services to Edison

2021-07-01 AAC Clyde Space AB (publ)

AAC Clyde Space has decided to focus its analytical services on the UK/US based Edison Group and has discontinued the analytical service Penser Access with the Erik Penser Bank. The analysis from Edison meets AAC Clydes Space's need to provide understanding and transparency of the company and its operations internationally.

The analyzes are kept available via the company's website [www.aac-clyde.space](http://www.aac-clyde.space) and through Edison's, [www.edisongroup.com](http://www.edisongroup.com).

### ABOUT AAC CLYDE SPACE

AAC Clyde Space specialises in small satellite technologies and services that enable businesses, governments and educational organisations to access high-quality, timely data from space. Its growing capabilities bring together three divisions:

**Space Data as a Service** – delivering data from space directly to customers

**Space missions** – turnkey solutions that empower customers to streamline their space missions

**Space products and components** – a full range of off-the-shelf and tailor-made subsystems, components and sensors

AAC Clyde Space aims to become a world leader in commercial small satellites and services from space, applying advances in its technology to tackle global challenges and improve our life on Earth.

The Group's main operations are located in Sweden, the United Kingdom, the Netherlands and the USA, with partner networks in Japan and South Korea.

AAC Clyde Space's shares are traded on Nasdaq First North Premier Growth Market. Erik Penser Bank AB, e-mail [certifiedadviser@penser.se](mailto:certifiedadviser@penser.se), telephone +46 8 463 83 00, is the Certified Adviser. The share is also traded on the US OTCQX-market under the symbol ACCMF.
