

Peter Anderson appointed VP Business Development

2020-07-07 AAC Clyde Space AB (publ)

Peter Anderson has been appointed Vice President Business Development with responsibility for Sales and Marketing of AAC Clyde Space's portfolio of products and services. In his new role, Peter Anderson will also join the group's management team.

Peter Anderson joined AAC Clyde Space in 2015 and has in his previous role as Head of Business Development Mission & Services, been instrumental in developing AAC Clyde Space's Space as a Service offering. He has also led negotiations on various key contracts.

"Leveraging his extensive commercial and technical background, Peter has formed strong relationships with AAC Clyde Space's customers and developed new and exciting propositions. He excels in providing the business direction on the latest innovations and market growth areas", says AAC Clyde Space CEO Luis Gomes.

Peter Anderson has a Bachelor of Engineering in Mechanical Engineering from the University of Glasgow and a Postgraduate Diploma in Computer Aided Engineering and Analysis from the University of West of Scotland.
